

Cranmore Integrated Primary School

Summary of the Policy for Pastoral Care and Pupil Support.

At Cranmore Integrated Primary School we place great emphasis on the welfare and well being of the children in our care.

All teachers, non-teaching staff, support staff and other adult helpers are encouraged to approach the care of our children in a positive way, reinforcing the philosophy and ethos of the school and following the school discipline policy.

We aim for our children to feel happy and secure in whatever activity they are taking part in and they are fully supervised in all activities.

Aims

1. To ensure that each child feels valued, special, unique and a member of the school community.
2. To instil a sense of personal worth and dignity through intellectual, moral and spiritual development.
3. To encourage pupils to build and maintain positive relationships with pupils, teachers and others.
4. To assist individuals to develop respect and appreciate life and the world in which they live.
5. To encourage a sense of personal accountability for their learning and actions.

A copy of the full policy is available to all parents of current pupils if you contact the school Principal.
